

Deeper Dive Assignment 1

For this assignment, students are expected to write a brief personal essay on the following prompts. This is your opinion, so using any AI agents or content generator such as ChatGPT, Gemini, etc. is **NOT** permitted. If you have questions, refer to the syllabus for NAU's AI policy as well as my course policy. Think for yourself and write in your voice.

Basic Requirements:

- 1-page
- 1.5 sentence space
- 1-inch margins
- Times or Arial font (anything easy to read)
- 12-point font (or less if you pick a larger font style)
- Proofread and edited

Prompts

1. What do you think makes a nation "secure"? Be specific and explain why.
2. What do you think about the current status of our national security and our roles in global security?
