

Privacy Paper

First, read Chapter 2 “Privacy” of the AGOF textbook. As you read the chapter, you saw multiple examples of privacy issues related to modern technology. Considering one privacy issue that is interesting to you, write an essay with three parts: the description of the technology, the privacy issue that is the problem(s), and your proposed solution to the privacy problem. You must use at least two citations.

Your essay should meet the following formatting guidelines:

- Three pages
- MS Word document
- Font: Times New Roman, 12 point
- A centered header with title, your name, class, and date single spaced (1.15)
- Text is double spaced = 2 line spacing in Word
- Indentation of new paragraphs, not extra line spaces between paragraphs
- “Normal” margins in Word, 1 inch

Post your document to the “Privacy Issue” discussion forum. The Discussion Forums tool link is in the left menu. Do not post PDF documents, post only MS Word documents. Submit your document as an attachment to a new thread. Feel free to look at your classmates’ work.

If you do not have Word on your computer, please use NAU’s free online Office 365, contact ITS.

1. You’ll submit your paper draft to the discussion forum. Here are the steps for posting your discussion forum work:

- *Open the Discussion tool in your left menu*
- *Click on the "Privacy Paper draft" forum.*
- *Select "Create Thread."*
- *Type a one sentence summary of your issue in the "Message" box.*
- *Select "Browse My Computer" to find your Word document*
- *Attach your revision Word document to the thread.*
- *Select "Submit."*

2. Read and post comments to the paper draft submitted immediately before and after you, within 24 hours.

3. (a few days later) Submit your final draft to “Privacy Issue Final”.

Note: This essay will also be assessed for ABET.
